### **Administrative Services Credential Advisory Panel's Public Forums**

This item is from Gay Roy at CCTC:

The ASC Advisory Panel has been meeting for nine months "to review the content, structure and requirements for administrator preparation to ensure that these remain appropriate to the needs of administrators serving in California schools". Before making recommendations to the Commission in the fall, the panel will present their current thinking for public input on June 8th, 2011 in the Commission Room. The public forum will be broadcast live as well as archived for later viewing. The forum will take place from 10:00 am to noon. A second forum will be held from 4:00 to 6:00 pm on June 8th should in-person registration be sufficient to indicate the need. Please register for either forum, whether you plan to attend in person at either forum or participate electronically during the morning session. Registration may be found at:  
[http://www.surveymonkey.com/s/ASC\\_forums](http://www.surveymonkey.com/s/ASC_forums)

Between June 10th and July 10th, the presentation may be accessed via the CTC website <http://www.ctc.ca.gov/educator-prep/webcasts.html>. At the end of the presentation, you will receive information on how to access a limited-size comment box to provide individual input regarding the information presented. All information collected, both from the forums and the on-line comments, will be presented and discussed by the Advisory Panel at their next meeting.
